Perfect Design Cookie Press

Perfect Design Cookie Press: The size of the transparent cylinder is 2.25 inches diameter and 8.67 inches in height, no need to add the dough frequently and the clear tube design will let you know how much dough you have. 16 cookie making flakes and 6 nozzles meet your different needs.

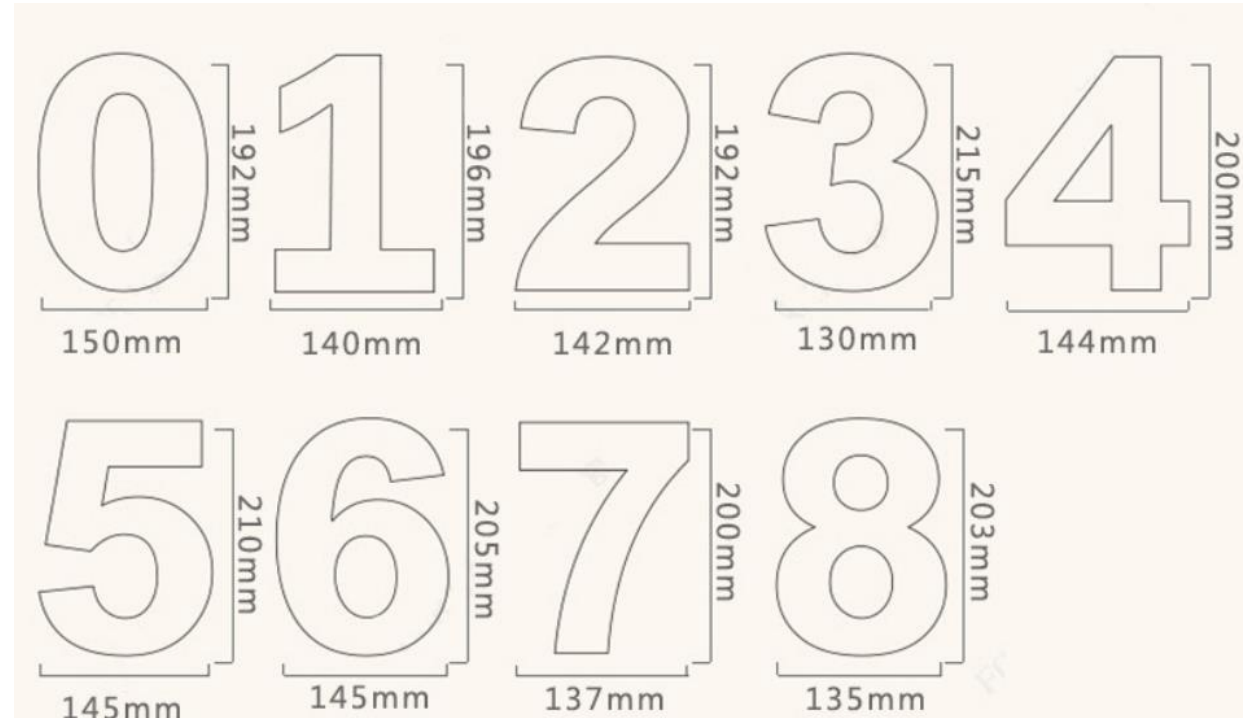

Food Grade Cookie Press Kit: the tube and the discs are made from ABS, the pole is made from stainless steel, and the icing tips are made from PP. All the materials are food grade and BPA free. Tasteless, non-toxic and durable.

Easy to Use Cookie Maker: Fill the dough into the cookie press gun, cover the discs and screw the nut, force the air out, then you can press your cookies.

Easy Clean Icing Gun: every parts of the cookie gun press is detachable, you can clean it with a little detergent and warm water, but don't boiled.

Multifunction: Both suitable at home and bakery cream cake, different kinds of cookie can be made and good helper for your baking.

Stainless Steel Digital Cake/Mousse Moulds

Prepare amazing sweet or salty desserts with the new range of iGoodCake stainless steel moulds. Baking and pastry moulds of different sizes and shapes to surprise your guests. Preparing delicious cakes and pastries has never been so simple.
